Buganda Bereavement Fund(BBF)- FAQ

Why BBF?

A structured approach that provides equal support to all members during life's most challenging moment

Who is the fund intended for?

*Members must be 18yrs and shall be open to **all Kabaka's subjects** residing principally in **United Kingdom and the Republic of Ireland***

What types of financial support are available through the fund?

Fund will only cover the death of its subscribed members

What are the costs?

- *Non-refundable subscription fee of £25 must be paid at registration. This will be reviewed at the 2025 AGM.*
- *Subscribed members must pay the agreed contribution when one of them dies. This contribution will be agreed with the members*

How is the amount of financial assistance determined?

Contribution made by each member when one of us dies will depend on the number of people in the fund.

The more people the less the contribution

An example to illustrate how the fund may work

If 1000 people join the fund and each one contributes £10 when a member dies, then we will have £10,000 to help cover funeral expenses

What are the terms and conditions?

A constitution that governs BBF has been documented and this will be shared with subscribed members who must adhere to it.

Buganda-UK Twezimbe

FAQs [Frequently Asked Questions]

1. What is Buganda-UK Twezimbe?

- A group of individuals from Buganda and their friends, pooling their capital to invest in profitable UK properties.

2. How will Buganda Twezimbe UK Real Estate Investment Group operate?

- Decision-making and property management responsibilities are typically shared among Buganda Twezimbe UK members or assigned to professional managers.

3. What is the level of Investment?

- The reasonable initial investment is for £5,000 per individual share plus a small Administration fee.

4. What is the minimum perceived number of investors?

- The estimate for one property is ideally £250,000 needing 50 members.

5. How will profits distributed?

- Profits will usually be distributed among investors in proportion to their investment contributions, and will be distributed either quarterly or annually.

6. Is there a minimum lock-in period for investments?

- Lock-in periods can vary, but typically, there will be a commitment period of 3-5 years during which investors are expected to maintain their investment. This will be agreed by the members at the start of each investment cycle.

7. What if I need my money earlier than the Lock-in period?

- Early withdrawal may incur penalties or restrictions.

8. What are the risks associated with real estate investment groups/partnerships?

- Like all investments, real estate investment groups carry risks, e.g. drops in property values, vacancies, environmental factors, and economic downturns can impact returns.
